Note Continued:—

As directed by the Dewan the Swamigalu of the Matt was informed that the loan applied for by him could not be granted on the security of the Matt's inam lands.

The Swamigalu has now sent a Sannukhada dated 13th July 1914 in which he puts the history of the case from the beginning and represents that owing to a misconception that the Kandayem land attached to the Matt was an inam land granted with a notice was served by the Amildar on the mortgagees to rent out the land to the Matt, there has been no rent collected & states that the Kandayem land in question was purchased and that it is now worth some 15 or 20 thousand rupees & it is on the hypothecation of this Kandayem land that he had borrowed Rs 4000/- and the Swami says that he pulla[illegible]

have come to the matt regularly but for the notice served on the creditors who now have withheld payment of the Gutta and have also been urging for the liquidation of their debt.

The Swamigalar requests that the Govt may be graciously pleased to re-consider their orders and sanction the loan of Rs 4000 on the security of the Kandagam land valued Rs 15 or 20 thousand rupees subject to liquidation by an annual payment of Rs 300.

Mysore Secretary's Remarks

This Matt has got into trouble in consequence of debts and has in a straight forward manner applied for the help of the Government. The application for a loan of Rs 4,000/- has been definitely refused by the Dewan under orders dated 10th May 1904, and I beg to add my humble opinion that the grant of such a loan would form an inconvenient precedent.

(x) page 5 of this note

The Swami has mortgaged the lands of the Matt upon the condition that the creditor should deduct the interest due to him and pay to the Matt annually the balance of income from the lands. The arrangement appears to have worked satisfactorily until the issue of a notice by

(⊗) Amildar of T Narsipur Taluk under the

order of the Deputy Commissioner and without the sanction of Govt stating that the alienation was invalid. The result has been that the creditor (a Lingayet) has turned against the Matt and has not been paying the amounts due to it nor the Govt dues on the lands, and the Swami has consequently been put to much annoyance and trouble. Under these circumstances, the Swami prays in his last petition* dated ೨೮-೭-೨೦೨೪ ಅಪ್ಪಣೆ ಕೊಡಲು ವಿನಂತಿ that, if the loan prayed for by him cannot be granted, all the lands belonging to the Matt situated in the Mysore State may be taken over under the management of Govt and that he may be given an amount sufficient for his ordinary expenditure and that the balance may be devoted to the of debts. It is found that the

in the present case are the Kandayam lands belonging to the Matt and not the Inam lands endowed to the Matt by Govt., and the rules of 1877* do not seem strictly applicable to the case. Still there seems to be no objection to the management being taken up temporarily by Govt as prayed for by the Swami. The needful enquiries may then be made as regards the debt and satisfactory arrangements made for the ordinary expenditure of the Matt and the repayment of the debt in instalments
